Directions: Stir together sugar, Hershey's Cocoa Powder, cornstarch and salt in a small saucepan. Gradually stir in milk over medium heat, stirring constantly. Winter Reminder

Since it is winter outside, we tend to spend a little more time inside of our apartments. Please remember the bass on your stereo and TV travels! Also some people like to clean at night, but vacuuming your apartment can be really loud. Please consider the time frame and be considerate of your neighbors... Some people may have a different schedule than yours. If you arrive home after 10:00 pm please try to keep noise at a minimum, because someone could be hibernating.
