PHONE

Landline service from Great Plains Communications provides a crystal clear, affordable connection that won't be affected by weather or electrical outages. That means round-the-clock 911 access without having to charge a cell-phone battery. The local and long distance services allow you to stay connected to those closest to you whether they're across the street or across the country.

- » UNLIMITED local calling
- » UNLIMITED long distance
- » Popular calling features
- » Keep your existing phone number

BUNDLES
