

Jefferson Green Apartments Community Learning Hub Summer Program

This summer program is held in partnership with LDG (Jefferson Green Apartments) and Evolve502. It will be a summer program for elementary school students grades 1-5.

The program will run from 10:00 am - 2:00 pm. Students will attend the program daily Monday through Thursday. The program will begin June 21st and run through July 29th. Breakfast and lunch will be served daily.

During this program, students will participate in indoor and outdoor enrichment activities and receive academic supports in reading. The academic supports will include both large and small group sessions. The small group session will support your student by meeting them where they are in reading and teach them skills to grow in their abilities.

We look forward to working with your student to help them grow and learn! Spaces are limited, sign up today!
