

Mobile Primary Care Coming to You Every Week

Jefferson Green and LDG Development have partnered with Norton Healthcare to bring primary care to our community! Jefferson Green residents will have twice-weekly access to Norton Prevention & Wellness Mobile Primary Care parked outside the community center.

Jefferson Green Apartments
3010 Jefferson Green Drive
Tuesdays and Thursdays, 9 a.m. to 4 p.m.

Services include:

- Well and sick visits
- Screenings and vaccines
- Management of chronic conditions
- Minor injuries
- Any concerns or issues that typically would lead you to go see a primary care provider

Schedule today!

Appointments are recommended, but walk-ins will be accepted as the schedule allows. To make an appointment or for questions, call **(502) 559-4335**.

Mobile Primary Care is a Norton Prevention & Wellness initiative in collaboration with the Institute for Health Equity, a Part of Norton Healthcare, and is funded by the Norton Healthcare Foundation.
