

FEE BREAKDOWN

WOODHAVEN AT PARK BRIDGE

For transparency, we've put together a list of fees you may pay as a resident. Some of these fees are required, and others are optional. In order to calculate the total monthly expense of renting your apartment home, take your unit's "Base Rent" (i.e., the monthly cost of your apartment home without factoring in any additional fees), and add in any fixed costs, usage-based expenses, and optional extras. As you will see, some fees are "fixed," meaning that the amount does not change, and others are subject to external factors making it difficult to predict exact monthly costs (e.g., utility usage; optional/situational fees). If you have any questions, please reach out to us directly – we would love to hear from you!
